EDUCATION

KIET Group Of Institutions, Delhi-NCR <i>B.Tech in Computer Science</i>	2020-2024 <i>Percentage: 76.57</i>
Anand Bhawan School, Barabanki <i>Intermediate(ICSE)</i>	2018-2019 <i>Percentage: 77.75</i>
Anand Bhawan School, Barabanki <i>High School(ICSE)</i>	2016-2017 <i>Percentage: 75.6</i>

EXPERIENCE

CODEGNAN IT SOLUTIONS <i>DSA Instructor</i>	Apr 2024 - May 2024
- During this internship, key responsibilities were to deliver engaging lectures on concepts of DSA and to provide individualized support to students during office hours, addressing their queries and doubts. - The internship helped in developing teaching skills and also sharpening knowledge of DSA. This was the paid internship with the stipend of Rs.80,000/- per month.	
OASIS INFOBYTE <i>Frontend Web Developer</i>	Dec 2022 - Jan 2023
- During my internship, I worked as a frontend web developer and successfully completed three projects - a functional calculator, a responsive website, and the crafting of a web-based to-do list application assigned by the company. - These projects followed a comprehensive 15-day training session that equipped me with the necessary skills and knowledge. - Through these projects, I gained valuable hands-on experience and enhanced my proficiency as a frontend developer.	

PROJECTS

Kisan Mitra HTML, CSS, JavaScript, Bootstrap, PHP	Mar 2023 - Present
- An affordable farm equipment sharing platform enabling farmers to list their available equipment for sharing and other farmers to search, book, and utilize the machinery as needed. - The platform includes features such as equipment descriptions, rental pricing, availability calendars, and secure payment processing.	
Grievance Redressal System HTML, CSS, JS, Bootstrap, PHP	Jun 2023 - Sep 2023
- Developed to create a structured and efficient mechanism for addressing and resolving complaints, concerns, or issues that individuals or groups may have. - Aims to promote transparency, accountability, and fairness while enhancing the overall well-being and satisfaction of members in small scale organizations. - Provides a platform for expression, fairness, justice, and ensures the timely resolution of problems.	
INFOPULSE - The News Website HTML, CSS, JavaScript, Bootstrap	Feb 2023 - Mar 2023
- The website offers its users to read news from different sectors and also provides the option for searching for specific news. - The two main features of this news website are the search bar and display of news articles. For getting the news article, a news API has been used for presenting reliable information.	

CERTIFICATIONS

- Object Oriented Data Structures in C++ from Coursera
